

No. 49

AMERICAN CONSULATE GENERAL,

Calcutta, India, February 9, 1921.

SUBJECT: RELATIONS OF STATES: Italian Publicity  
in British India.

THE HONORABLE

THE SECRETARY OF STATE,

WASHINGTON.

SIR:

I have the honor to refer to my despatch No. 43 dated January 31st relative to the giving out of news in India by the Japanese Consul General, and to inform the Department that within the past few days the Italian Consular representative here has communicated to the Press telegrams received from his Government concerning the internal situation in Italy.

In this general connection it seems proper to point out that practically the only news service supplying India from Europe and the United States is that of Reuter and a special service of the London Times.

I have the honor to be, Sir,

Your obedient servant,

Alexander W. Weddell

American Consul General.
